Team Captain Fellowship Description

Organizational Overview
Coaching Corps is leading the field in how sports can be used to improve health, educational, and social outcomes for kids, and we are excited to spearhead a national movement of volunteer service on behalf of youth through sports. By taking Coaching Corps to scale, we will reach hundreds of thousands of kids in struggling communities across the nation.

More information about Coaching Corps can be found at www.coachingcorps.org

Position Overview
We are seeking highly energetic, passionate, outgoing, and committed students to serve as Team Captains. This fellowship is an opportunity for you to create positive social change by recruiting and supporting volunteer coaches, who will develop deep and meaningful relationships with kids in afterschool sports programs. As a Team Captain, you will develop your leadership skills while engaging communities through the transformative power of coaching. Plus, you’ll receive weekly mentorship from Coaching Corps staff throughout your academic year of service. Are you ready to join us in changing the game for kids?

Qualifications
- Experience working with youth
- Candidates with coaching experience is a preference, especially within Coaching Corps
- Exceptional ability to recruit and engage volunteers
- Excellent verbal and interpersonal communication skills
- Must be a motivating and supportive individual
- Highly organized and proactive

Commitment
- Hold position for academic year (semester: August – May; quarter: September - June)
- Serve a minimum of 8 hours per week
- Coach at least 1 season for 8-10 weeks
- Participate in July pre-retreat orientation (virtually), 3-day in-person retreat (in California), monthly professional development activities, and weekly check-ins with supervisor.

Responsibilities
- Recruit volunteer coaches who are serving kids in their local community
- Assist with the management of volunteer coaches
- Act as a proactive ambassador of the Coaching Corps organization
- Complete end-of-season evaluations and a two-page reflection paper at the end of your service

Benefits
- Provide opportunities for kids living in underserved communities to play sports
- Network with other individuals who are committed to social justice
- Develop your skills in community outreach, volunteer management, communications, and database management
- Build your resume and earn letters of recommendation
- Receive a $1000 service award ($500 at the end of the fall and spring seasons)
